Margaret,

We are in receipt of your May 13 letter on behalf of the Board, responding to my May 12 letter. Without going point-by-point, suffice it to say that we disagree with the positions taken in your letter regarding the propriety of Ambac and FGIC's discovery requests, and we reserve all rights.

I note that your letter did not respond to the question in my May 12 letter regarding the Board's failure to include a best interests analysis in its Disclosure Statement. Please confirm when that analysis will be made available to creditors.

Thank you,

Jonathan
